**GOVERNMENT’S RESPONSE TO PRO SE MOTION TO UNSEAL  
RECORD DOCUMENTS**

COMES NOW the United States of America, by and through it Undersigned Assistant United States Attorney, and in opposition thereto would respectfully show unto the Court the following:

1. It is unclear from the Defendant’s Motion the purpose for which he seeks to unseal the information. Accordingly, the United States cannot ascertain if the material should be unsealed, or whether the information can be provided in any form. In addition to these matters being sealed, there is also a protective order in place in this case.
2. The undersigned has called Cynthia Orr, the Defendant’s prior counsel in this matter to seek clarification. The Defendant indicates in his Motion that Attorney Orr is not the focus of any of these inquiries. Counsel has stated that she will seek clarification from the Defendant to determine whether there is a way to accommodate the Defendant that will not jeopardize the interests of the United States and third parties.
3. The United States disagrees with the Defendant’s assertion in paragraph 5 that the documents sought would not present any concerns for any individual other than Gonzalez. Again, if there were some clarification, it may be possible that materials could be provided under protective order or in redacted form, but at this time, the relief sought is inappropriate.

WHEREFORE, PREMISES CONSIDERED, the United States requests that the Defendant's Motion be denied, or in the alternative, that this Motion be held in abeyance until the clarification sought from former Counsel is obtained from defendant, Raul Gonzalez, Jr.

Respectfully submitted,

RICHARD DURBIN JR  
UNITED STATES ATTORNEY
